

**Royal British Legion Radcliffe-on-Trent**

**Dear Residents,**

**We will be securing the perimeter of the site shortly, latest 17 December although this may be earlier dependent upon availability.**

**We will place concrete blocks to the road elevation which will mean there will be no further vehicular access to the site.**

**This is intended as an interim measure and may be replaced by fencing in due course, no decision as yet made.**

**Security will visit site on 2 occasions prior to the installation to place notice on any vehicles, to avoid anyone being locked in the site.**

**Kind Regards,**

**Royal British Legion**
